

# 20 Side Hustle Ideas *You Can Start Today*

# *Tip #1*

## **Be an Uber driver**

Starting is easy. You simply need a car, a driving license, a smartphone to run the Uber app, and you're ready to earn some serious cash!

## *Tip #2*

### **Babysitting**

Babysitting is easy enough. You just need to like kids and know how to take care of them to get your business going.

## ***Tip #3***

### **Answer online surveys**

You're not going to get rich with these, but if you've got some free time and you're bored, then this is a viable money-generating option.

## *Tip #4*

### **Social media management**

If you love social media, then what better way to earn money than to help businesses promote their brands on your favorite platforms!

# ***Tip #5***

## **Graphic design**

Put your design skills to good use and help businesses with their logo and graphic design needs!

## *Tip* #6

### **Become a dog walker**

It's important for dogs to have exercise, too. If you're into dogs and you care for their well-being, then become a dog walker in your neighborhood today!

## *Tip #7*

### **Freelance writing**

There are countless opportunities to get paid to write. Simply show people you can write, and you'll have clients knocking on your door!

## ***Tip #8***

### **Wash cars**

If you don't mind getting wet and you've got at least 30 minutes to spare, then go around your neighborhood and look for cars that need a wash!

## *Tip* #9

### **Shovel snow**

Many people don't have time to shovel snow.  
You can do it for free or you can get paid. Your  
call!

## ***Tip #10***

### **Wash windows**

Many people don't notice their windows could use some cleaning. Help them and get paid in the process!

## ***Tip #11***

### **Mow lawns**

Walk around your city and look for customers who can benefit from having their lawns mown!

## ***Tip #12***

### **Painting services**

You can choose to paint walls, entire rooms, even entire houses. It's totally up to you!

## ***Tip #13***

### **Teach music lessons**

If you can sing or play a musical instrument,  
then set up shop and advertise your music  
lessons!

## ***Tip #14***

### **Teach English online**

Did you know English isn't the most widely-spoken language in the world? Yep, it's true. There are literally millions of people who can use your help!

## ***Tip #15***

### **Appliance repair**

If you're a techy person and you know how to fix various appliances, then you can earn some serious money on the side!

## ***Tip #16***

### **Sell your photos**

If you've taken thousands of photos and they're only gathering virtual dust on your hard drive, then try selling them online.

## ***Tip #17***

### **Deliver UberEats**

You don't need a car to deliver UberEats. You can choose to deliver food to customers using a car, a bike or a scooter!

## ***Tip #18***

### **Rent out a room**

If you've got a spare room in your house, then why don't you try renting it out? Alternatively, you can list it on Airbnb and earn some money on the side!

## ***Tip #19***

### **Buy and sell stuff**

To make a profit, simply sell at a price higher than your buying price!

## *Tip* #20

### **Human billboard**

Help promote businesses on busy streets and  
apply to become a human billboard!
